

2018-2019 COST OF ATTENDANCE INFORMATION SHEET

A cost of attendance (COA) is a budget of reasonable expenses a student may incur and represents the maximum amount of federal and institutional funding a student may receive while attending CWC. **It is not the actual bill from the school for a student's education.** The Financial Aid Office develops the budgets for each academic year. The inflation rate and expected increases in all categories of included expenses are taken into consideration. In addition, the Department of Education has established guidelines that are followed in calculating allowable educational expenses. The COA includes tuition and fees, room and board, books and supplies, transportation, and miscellaneous personal expenses. The following budget amounts are based on 12 credits per semester for a full school year. The amount a student actually spends
