RE: Program Articulation/University of Houston's  
Conrad N. Hilton College of Hotel And Restaurant Management

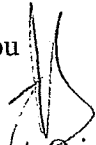

Attached is the official articulation document for our Culinary Arts Program with the Conrad N. Hilton College, in Houston Texas.

The articulation calls for 15 credit with the program major. The Hilton College they don't evaluate the general education courses for the articulation. The University of Houston automatically will accept all our general education courses for articulation. This will give us 33 credit of articulation.

This articulation is between our Culinary Arts Program and theirs BA, Hotel & Restaurant Management Program. This to give an opportunity for our students to continue their hospitality education toward management.

I expect to receive larger articulation transferable credits with the Johnson & Wales University nation wide.

Thank you  
Henry
